

We're heartbroken. We're overwhelmed.

— Open Letter from Minnesota Hospitals

Those words are repeated over and over again in America's hospitals.

Covid is killing our patients and overwhelming our hospitals. Unvaccinated people are 14 times more likely to die from COVID-19. Thousands of people on their deathbeds repeat a simple line:

“I wish I had gotten vaccinated.”

- GET VACCINATED
- GET A BOOSTER
- FOLLOW THE PUBLIC HEALTH GUIDELINES
